

1995-99 Monte Carlo

PART # 41481 - 41482 - 41483

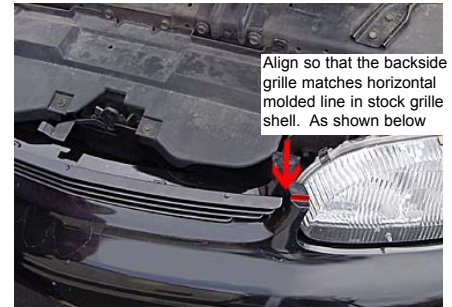

For installation of billet grilles that require cutting of the stock shell, proper tools, knowledge and skill are needed. Carriage Works is not responsible for care & accuracy of the installation, only for Fit & Finish of its products. Use a qualified installer or contact original vendor for references to complete all instructions.

Hardware

- 4 - #8 x 5/8" Blk. Phil Pan Head Screws
- 2 - U-Clips
- 2 - Brackets \angle

STEP 2 Attach grille brackets to grille as shown above.

STEP 3 Next center billet grille in opening and place grille so bottom bar covers hole (from emblem) in bumper mask. Also take note the red arrow points to the backside aligning with horizontal molded line in stock grille opening.

STEP 1 Remove Chevy emblem from bumper mask.

STEP 4 Mark center locations of brackets in bumper mask, then drill a 1/8" hole in each marked location. Then attach grille using screws.

NOTE: Please adjust horizontal blades if irregular. This is the result of shipping and handling outside of Carriage Work's control.

Also Carriage Works Inc. recommends applying a high quality automotive wax to maintain the original appearance.
